Notes:

- The “events” are scheduled to be 45 minutes long, with 5 minutes allowed for moving to the next event.
- In order to reduce confusion and long lines, half of participants will be scheduled to eat lunch during Time Slot #4, and half during Time Slot #5. Lunch will be held in the 3rd floor lounge of SPL.
- During the 02:30 to 03:10 time slot, the teachers and students may attend the demo show or hear graduate students talk about their research and student life.
- SCL 110 is in the Sterling Chemistry Laboratory – Go out the front door of Sloane and straight into the opposite building. Go up the staircase and turn right. Look for a large lecture hall to the left across the hallway.
