Notes:

- The “events” are scheduled to be 45 minutes long, with 5 minutes allowed for moving to the next event.
- 3/5 of participants will be scheduled to eat lunch during Time Slot #4, and 2/5 during Time Slot #5. Lunch will be held in the 3rd floor lounge of SPL.
- During the 02:30 to 03:10 time slot, the teachers and students may attend the demo show or the Special Lecture by Ágnes Mócsy
- SCL 110 is in the Sterling Chemistry Laboratory – Go out the front door of Sloane (opposite the registration table) and straight into the opposite building. Go up the staircase and turn right. Look for a large lecture hall to the left across the hallway.
- The **Make and Take** activity will take place in the Sterling Chemistry Laboratory Room 141. This is directly across from the Physics Building. Just enter the main doors and go up the large stone staircase through the double doors and look for the door on the right.
